Meetings

- Try to attend meetings
- Be on time, if running late - communicate this to team
- Come prepared, not on your phone without any work tools
- Aim for at least 1 physical meet per week
- All opinions are of the same value
- If you cannot attend a meeting, make sure to catch up
- Have an agenda written beforehand
- Take notes of the meeting in a document (rotate notetaker)

Communication

- Stick to official channels of communication(Discord, IRL)
- Respect the purpose of the discord channels
- Share all information/files
- Respect each other
- Try to check discord daily for updates
- If you disagree with something, bring it up to the team
- Majority wins in a vote

Work

- Communicate clearly what you are working on
- All progress should be accessible on Github
- Put comments in the code on GitHub.
- Keep the scrum board up to date
